Dear Exhibitors:

Once again, ASCLS-Idaho is going virtual for our spring convention. In the best interest of everyone's health and safety, the Board of Directors made that decision, although somewhat reluctantly, as we miss seeing all of our vendors so much! Our theme is "Herd immunity is the way out! Join the herd this Spring as we virtually celebrate the vaccine and the end of a pandemic year!"

We hope you will participate by sharing with us a 5-minute video presentation that we can play during our virtual conference – between and before our continuing education presentations. In this way, we hope to offer our attendees a way to stay up-to-date with your newest instruments and products. And, the cost to you is **just \$50!** Registration on our usual platform (EZRegister) will open soon, and we will send out the link **as soon as it is available.**

We are looking forward to a fun and educational virtual convention, and your support is greatly appreciated!

Sincerely,

*Debbie Shell*
