The booth cost will be \$475.00 (Early Bird price is \$450.00 if registration is received by March 11, 2022). We would also greatly appreciate donations towards the convention activities (i.e. social, breakfast, lunch, and breaks). All Exhibitors and Sponsors will be recognized during the Convention.

PENDING OPEN DATE: Once the EZRegister site is available for online registration and donations, please go to:

asclsidahovendors.ezregister.com

For paper registration, the form is attached.

The agenda will be similar to the one we've used in the past, so be sure to review the exhibit session hours. And don't forget to bring a fun raffle prize for the vendor sessions; we had some great items last year!
